EXPERIENCE

PROFESSIONAL MUSIC PERFORMANCE:

He hosted and organized multiple sold-out concerts (more than 250 audiences) as a lead music supervisor, producer, vocalist, and instruments player. Performed with renowned music bands in stage shows and assisted them in composing their leading songs. Composed different songs and short jingles for producers. Assisted musicians who are new in this field in composing and singing. Cooperated with other musicians to create new music for them and performed with them at live shows. Provided background melodies and music for stage shows and concerts.

Worked with other music groups as a guest artist.

POPULAR MUSIC PRODUCTION:

He taught music appreciation, history, skills, and fundamentals to vocalists and musicians of varying skill levels. He directed music production, from starting point of signing artists to labels through marketing and sales of music. He produced projects for artists and record tracks that performed internationally on huge stages with over thousands of audiences in the United States, Iran, Germany, Switzerland, Sweden, France, and England.

FILM SCORING, VIDEO GAME MUSIC AND COMMERCIAL:

He is an award-winner, highly educated, and professional in the art and craft of writing music in sync with visuals. He is a storyteller through developing a process of writing, composing, and effectively combining different genres of music is most definitely creative.

He participates in multiple scoring competitions.
